## Alliance Diesel Particulate Filters

**PRICING AS LOW AS \$1,255.00** (DEPENDING ON APPLICATION)

Alliance DPFs go through a comprehensive development process to ensure the highest quality and performance. This process gives Alliance several advantages over the aftermarket competition:

- OEM-equivalent diesel emission control performance
- Coreless – no need to return the core for full or partial credit
- Exact-Fit design for easy installation
- Manufactured with new materials – not reconditioned
- High-quality stainless steel for durability and corrosion resistance
- DPF substrates from top tier OEM suppliers
- Wide range of parts available for leading engine makes and models
- Manufactured in the U.S.A.
- Clamps and gaskets sold separately to provide solutions for all customer types
