PEOPLE. PRODUCT. PERFORMANCE.

COMPREHENSIVE SUPPORT. UNMATCHED SERVICE.

Whether you own a premium Trail King trailer or you are looking to own one, you can still have access to our comprehensive PEAK PERFORMANCE™ Aftermarket Programs:

Instantly access over 10,000 on-hand parts and a variety of online tools. All Trail King Certified dealers, fleets, and serviced facilities can place same-day shipping orders for convenient and efficient ordering. Customers looking for more information can contact a local Trail King dealer or submit direct inquiries to trailkingpartssupport@trailking.com.

Extend the life of your trailer and increase future resale value by restoring it to near-peak performance through Trail King's factory refurbishment program. Customers can request a free estimate for comprehensive refurbishments or specified repairs by visiting www.tkpeakperformance.com. Our expert technicians specialize in Trail King equipment, but we also welcome other trailer brands.

Competitive rates and flexible terms designed to make a Trail King purchase affordable, convenient, and secure. Trail King's innovative payment program operates with an understanding of the changing demands a customer's business faces. Our full suite of financing structures, including Loans, Finance Leases, and TRAC Leases, makes it easier than ever before to own a Trail King trailer.

Trail King is the leading manufacturer of open deck and materials hauling trailers for the asphalt paving, construction, commercial hauling, agriculture, and specialized transport industries. With a network of almost 400 dealer locations across the U.S. and Canada, Trail King is there when you need us. Our dedicated teams of customer service professionals are available 24/7 to serve you.

We know that your bottom line is important to you and it's our commitment to make sure you achieve the lowest cost of ownership with the highest quality trailers offered in the market.

A Trail King trailer won't just get the job done — it will get the job done *right*.

TRAIL KING
WE'VE GOT YOUR BACK.

STANDARD FEATURES

A TRAIL KING TILT.

NOT YOUR AVERAGE ANGLE.

Safety Chains

Heavy-duty safety chains with GVWR-rated grab hooks are built tough for years of dependable service.

Drop Leg Jack

Bolt-on 12,000-lb jack with drop leg.

Safety Headboard

The safety headboard provides extra dimension of safety and load-hauling security.

I-Beam Crossmembers

Crossmembers consist of 80,000 psi yield beams spaced for maximum strength and deck life.

Heavy-Duty Bent D-Rings

Forged D-rings for your trailer to handle even your toughest hauling requirements.

Platform Cushioning Cylinders

Dual platform cushioning cylinders make loading and unloading a smooth operation.

Adjustable Hitch

Accommodate a wide variety of towing vehicles with an adjustable 4-bolt hitch rated for the full GVWR of the trailer.

Protected Electrical System

Features rubber-mounted, shock-proof, sealed lights and rubber grommets for all wiring through the frame for longer, trouble-free, low-maintenance performance life.

Adjustable Platform Lock

Keep your deck from accidentally tilting while in the transport mode with the adjustable platform lock mechanism and safety lock pin.

Break-Away System

Sealed electric break-away system on TKT24 models with electric brakes located in tongue area.

Deck Counterweights

Smoother tilt operation with built-in counterweights.

Fold-Down Approach Plate

Fold-down approach plate is designed to meet U.S. Federal under-ride protection requirements. It also achieves the lowest possible load angles and provides extra protection for tail lights.

Oak Decking

All TKT models come with 1.5" nominal oak decking that is double screwed to crossmembers to prevent cupping. This deck will stand up to years of rugged service.

Products shown may feature optional equipment. Available specifications are subject to change without notice.
