

SMALL CONSTRUCTION. BIG CAPABILITIES.

Trail King's Utility trailer is expertly manufactured to be small, strong and stable. The TKU models range in capacity from 12,000-lb. to 16,000-lb with standard self-supporting lightweight ramps that offer secure loading for versatility and maximum payload.

Invest in a Trail King Utility trailer that is proven to be a low-maintenance, long-lasting work horse. You'll be glad you did.

PEOPLE. PRODUCT. PERFORMANCE.

COMPREHENSIVE SUPPORT. UNMATCHED SERVICE.

Whether you own a premium Trail King trailer or you are looking to own one, you can still have access to our comprehensive PEAK PERFORMANCE™ Aftermarket Programs:

Instantly access over 10,000 on-hand parts and a variety of online tools. All Trail King Certified dealers, fleets, and serviced facilities can place same-day shipping orders for convenient and efficient ordering. Customers looking for more information can contact a local Trail King dealer or submit direct inquiries to trailkingpartssupport@trailking.com.

Extend the life of your trailer and increase future resale value by restoring it to near-peak performance through Trail King's factory refurbishment program. Customers can request a free estimate for comprehensive refurbishments or specified repairs by visiting www.tkpeakperformance.com. Our expert technicians specialize in Trail King equipment, but we also welcome other trailer brands.

Competitive rates and flexible terms designed to make a Trail King purchase affordable, convenient, and secure. Trail King's innovative payment program operates with an understanding of the changing demands a customer's business faces. Our full suite of financing structures, including Loans, Finance Leases, and TRAC Leases, makes it easier than ever before to own a Trail King trailer.

Trail King is the leading manufacturer of open deck and materials hauling trailers for the asphalt paving, construction, commercial hauling, agriculture, and specialized transport industries. With a network of almost 400 dealer locations across the U.S. and Canada, Trail King is there when you need us. Our dedicated teams of customer service professionals are available 24/7 to serve you.

We know that your bottom line is important to you and it's our commitment to make sure you achieve the lowest cost of ownership with the highest quality trailers offered in the market.

A Trail King trailer won't just get the job done — it will get the job done *right*.

****See your local dealer for full list of available options.***

Adjustable Hitch
Accommodate a wide variety of towing vehicles with an adjustable 4-bolt hitch rated for the full GVWR of the trailer. Available in ball hitch or pintle hitch configurations.

Toolbox
Spacious toolbox spans the entire width of the tongue area for enough room to store all your chains and tools.

Safety Headboard
The safety headboard provides extra dimension of safety and load-hauling security.

Drop Leg Jack
Bolt-on 12,000-lb. jack with drop leg.

Break-Away System
The lighted read-out break-away system monitor provides easy and convenient monitoring of the charge status.

Protected Electrical System
Features rubber-mounted, shock-proof, sealed lights and rubber grommets for all wiring through the frame for longer, trouble-free, low-maintenance performance life.

Bolt-On Spare Tire Carrier
An available option that allows you to safely mount and easily remove a spare tire.

Oak Decking
All TKU models come with 1.5" nominal oak decking that is double screwed to crossmembers to prevent cupping. This deck will stand up to years of rugged service.

I-Beam Crossmembers
Full-width steel I-beam crossmembers provide maximum load-bearing strength. 2-part polyurethane primer is completed prior to adding the deck to provide corrosion resistance in unseen areas.

Products shown may feature optional equipment. Available specifications are subject to change without notice.
